Autumn Harvest!

FACT SHEET AND WORDSEARCH

Harvest means to collect what has been planted and grown in the ground. It is usually done by farmers, when we get to the Autumn months. This includes lots of different types of fruit and vegetables, as well as hay for animals!

Harvest Festival has been celebrated in the UK for hundreds of years. It is traditionally a celebration of all the food grown, and of having enough food to feed families though winter when its harder to grow crops.
