

Free School Meals Voucher Recommendations for Parents/Carers

Your school has chosen to supply vouchers instead of food parcels, we understand why and can see how this is more convenient to you and your child/children.

However, we would still like to offer our support in helping you with some advice that will help you plan, shop and prepare a healthy balanced lunch for your child/children.

This is why we have put together a small shopping list, some dish ideas and supporting recipes to help you.

We hope you find these useful, and look forward to seeing all of the children back in school very soon.

From everyone at Autograph, take care and stay safe.
